Subject: Access to Operational Data

Dwane,

I have added you to the epaosc.org platform. The website address is epaosc.org/GoldKingOps. The link to the map is in the lower left corner. Your login is your EPA email address. You might need to get a password, the software will help you do that. Call me if you have issues.

PLEASE note that this website and viewer is a *non-public* website that it is used to support operations. Nothing on this website can be shared externally and you are not authorized to share your login. If others need a login, please send me a request.

It is really nice to work with you again. I will have a member of our Data Team give you a call to talk about future coordination.

Stay in touch, Marty
